Message from the headteacher

Hi everyone. I hope that everyone has had a lovely week. The pupils have continued to be a credit to you all over the past week by continuing to demonstrate excellent respect and behaviour around the school, and by being engaged in their learning during the day. It has been a pleasure to sit in on so many lessons this week and watch the enthusiasm that the children have for their learning and also getting to know them all a little bit more. As the term now starts to get underway some of our sporting fixtures have begun, with the first one being the Year 5 orienteering competition on Thursday 21st September. Best of luck to everyone competing!

Uniform

Can you please try to label all school uniform especially jumpers, fleeces and cardigans. We currently have a large amount of these items that are unnamed in the lost property

Safety in the lane

Please ensure that if you are driving down the lane towards the staff car park that you drive slowly. There should also be no parking in front of the car park gates as this is used for emergency service access.

Foundation baseline

All pupils in foundation will be completing their baseline assessment in the weeks leading up to half term. There is nothing for parents/carers to worry about it is just for us to assess where all pupils are. We will then use this information to look at how we can best support pupils with their development and learning (see attached information).

Attendance

Well done to the following classes for having the best attendance in their year group last week:

FG, 1H, 2V, 3U, 4H, 5P and 6W

Special well done to 3U who had 100% for the week beginning 5th September 2023.
