HEADTEACHER MESSAGE

As we come to the end of another busy week, I would like to thank all parents and carers who attended our parent interviews. We hope you found the meetings useful and informative. We have additional appointments taking place next week and look forward to seeing more families then.

Thank you also for your generous donations in support of Children in Need today. Some of our pupils were especially excited to receive a visit from the Children in Need bear, Blush, which certainly brought lots of smiles across the school!

You will also notice that work will begin from 16th November to install our on-site pop-up swimming pool in preparation for lessons starting on 23rd November. Families of children taking part will have received information via ParentPay.

Is my child too ill for school?

UK Government NHS

Does your child have a high temperature (38ºC or more)? YES Keep them off school until it goes away. NO Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
A cough, cold or sore throat Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature.	**Cold sores** Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.	**Impetigo** They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.	**Ear infection** If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.
Threadworms Speak to your pharmacist, who can recommend a treatment.	**Conjunctivitis** Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.	**Ringworm** See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.	**Measles** They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.
	Head lice & nits You can treat head lice and nits without seeing a GP.	**Scarlet fever** They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.	**Vomiting & diarrhoea** Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).
	Hand, foot & mouth disease If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.	**Chickenpox** Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.	
	Slapped cheek syndrome Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.		

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.

To find out more, search www.NHS.uk for the specific illness or infection, or 'Is my child too ill for school?'

A great start to a brighter future!

New Reception Intake 2027

OPEN EVENING

Come and see what makes our school special!

Starting primary school is a significant milestone for your child's learning and development. Children usually start the reception year at primary school at the start of September following their fourth birthday.

Children born between **1 September 2022 and 31 August 2023** will start primary school from **September 2027.**

Parents need to apply for a reception place by **15 January 2027.**

If a child has an Education, Health and Care Plan (EHCP) the application closing date is **31 October 2026.**

You are strongly advised to apply to four local schools including your nearest or catchment area school. You can use our **Catchment Area School Finder Tool** to check which school are your nearest or catchment area schools.

Please read the **Guide to Primary School Admissions** booklet for more information on the process of applying for a primary school place and to understand how places are offered.

Our Open Evening Dates

- Wednesday 16th September at 3:30pm
- Wednesday 14th October at 3:30pm
- Wednesday 18th November at 3:30pm
- Wednesday 9th December at 3:30pm

For further information, please contact the school office on **01952 387250**

We look forward to meeting you!

Mobile Phones

A Parent Guide for Primary Schools

Why it matters

- Phones can **distract** children from learning and play.
- Too much screen time can affect **sleep and feelings.**
- Children may see **upsetting content** or **unkind messages.**

School rules

- Most primary pupils **do not need** a smartphone in school.
- Many schools ask children **not to bring phones**, or to hand them in at the start of the day.
- Exceptions may be made for **medical or accessibility needs**. Always follow your school's policy.

What parents can do

1. **Delay smartphones** if you can.
2. If a device is needed, **a basic phone** may be enough.
3. Create **screen-free times**, especially before bed.
4. Talk often about **kindness, safety and asking for help.**
5. Check your school's mobile phone policy and any exceptions.

Quick reminder

- Every child is **different.**
- Use **age-appropriate boundaries.**
- Work with your school if you **need support.**

Check your school's mobile phone policy.
